Help Build Our Patio, One Brick at a Time.....

During the summer of 2009, Messiah Child Care Center built a patio/garden outside Messiah's back southeast door. It is a peaceful place to rest, read, laugh and enjoy with the children, as well as a picnic area for the children's morning and afternoon snacks. The patio is also the home of two statues (a reading boy and a reading girl) and a plaque, donated to honor the loving memory of Miss Sue, a dear friend and long time teacher at Messiah who died of cancer in 2007. (The patio surrounds a pine tree which was planted, as a seedling, by Miss Sue's father, Clarence Knuth, in about 1980.)

A dedication service and reception was held on Friday, August 21st, 2009 and in September, we were honored to have children's author, Kathleen McMahon, read to the Messiah Child Care Children on the new patio.

As part of our Messiah family, we would like to invite you to join us in the creation of our patio. This is an ongoing project. Families have a continuous opportunity to participate by purchasing an engraved brick to be placed in our patio. Your child's name or your family name will then become a permanent part of our school, to be used and enjoyed by future generations of Messiah children. As soon as 20 more bricks are donated, we will place an order with the patio company and they will replace the blank bricks with the newly donated ones.

Please see the attached order form for ordering details. More forms can be found on our website: messiahchildcare.com. If you'd like to see the patio, stop in at any time and enjoy it.

Thank you for your support,

Miss Karen
