Feb 5th for our new families

**Summer Camp:**

Start Date: Monday, June 17th

End Date: Thursday, August 8th

Our summer program runs eight weeks. Schedules must be chosen in a minimum of two week blocks. For those families who sign up for the entire summer, there is a vacation break of 50% off one week tuition (when given a two week notice and if not already used during the regular school year).

**Fall 2024-25 School Year:**

Open House: Tuesday, August 20th

First Day of School: Wednesday, August 21st

Last Day of School: TBD - June/2025

Fall registration is ongoing and based on availability. Contracts are able to be tweaked at any point during the school year. We will adjust tuition accordingly.

**Registration Fees:**

\$150\* is our non-refundable registration fee. This is required for each period of sign up. If you enroll for the full summer plus the fall program, we will waive \$50 off your fall registration fee. These fees will be billed through bright wheel once you have handed in your registration forms. Once payment is received, we will process your paperwork and place your child in the proper class.

\*Note: of the \$150, \$100 will hold your spot and be credited back on your first tuition invoice.
