Each week will roll in a new theme, interactive experiences, and guest visitors from our local community. Stay tuned—2025 is going to be a swell summer to remember!

At Camp Messiah, students can ride the current of continuous learning or dive in for an early start on the new school year this fall. Here's a sneak peek at some of the fun we have planned:

- 🏄 Making waves with S.T.E.A.M. – Science, Technology, Engineering, Art, and Math activities every week
- 🧸 Dress-up days & special events that bring creativity to life
- ☀️ Soaking up the sun with plenty of outdoor play and hands-on learning
- 💧 Weekly water days to cool off and make a splash
- 🎨 Seas the day with arts and crafts projects students will love
- 🚒 Guest appearances from community visitors like firemen, policemen, and even a few field trips to a farm, an amusement park and Pirates Cove!

So grab your sunscreen, shades, and sense of adventure—Camp Messiah's 2025 summer session is about to make a big wave! Stay tuned for more details, and get ready to dive into the best summer yet!

We recommend that the children dress appropriately for the weather, meaning come with a hat, sunscreen, swimsuit, change of clothes, summer shoes that cover the toes. It's always good to have a beach towel at school and sunglasses are ok too.
